

ANNOUNCEMENT & CALL FOR ABSTRACTS

Vacuum Symposium Poster Sessions

Date: Wednesday 10th & Thursday 11th October 2018

Venue: Ricoh Arena, Coventry, CV6 6GE

INTRODUCTION

From food production to particle accelerators - vacuum is critical for many manufacturing and scientific research operations. Why not tell us more about the work you're doing that requires Vacuum by submitting a poster at this year's event.

We welcome posters on all aspects of vacuum, not just those related to any of this year's meeting topics.

Poster Prizes

IOP Institute of Physics
Vacuum Group

Leybold

A certificate and cheque

for up to £100 will also be awarded each day.

These prizes are sponsored by the IOP Vacuum Group (Wednesday) and Leybold (Thursday).

Poster sessions will take place on both days between midday and 2pm (approximately).

Are you interested in submitting a poster at VS9?

Please submit your poster title and abstract to sunil.patel@stfc.ac.uk by **5th October 2018**. Please also specify the day on which you would like to present your poster. Don't forget you must also register for this year's event at www.vacuum-uk.org.

Posters that are accepted will be allocated a board in the main exhibition area where they can be viewed by all delegates attending the exhibition. You will be notified in advance of your poster board number.

Posters must not exceed A0 portrait size (1189mm high x 841mm wide). Pins or suitable adhesive tape will be provided on the day.

Posters may be displayed from 10.30am on the 10th and 11th October. Posters must be removed by 6.30pm on the 10th and 4pm on 11th October respectively, unless they are being displayed on both days.

Posters authors should be in attendance by their poster during the lunch break on the day(s) their poster is on display to answer any questions about their work from other delegates or the poster judges.

Posters will be judged on the basis of scientific content, effectiveness of communication and overall appearance and the prizes will be awarded in the main exhibition area (exact time will be confirmed as soon as possible).

For further information about this year's poster session contact Sunil Patel (sunil.patel@stfc.ac.uk) or telephone 01235 445519.

VACUUM SYMPOSIUM
a forum for scientists,
academics, technicians
and industrial users

10TH & 11TH OCTOBER 2018 . COVENTRY UK

www.vacuum-uk.org

2017 Winner of the Poster Prize on Day 1 was Abdul Hadi Gaddah, Manchester Metropolitan University Surface Engineering Group (pictured left), receiving his

prize from Sunil Patel (R) representing the VS Committee and the sponsors, IOP Vacuum Group

On Day 2, Kay Tor, University of Swansea (absent) with certificate from Vahid Krupic (L), Managing Director

of the sponsors Leybold Vacuum UK Ltd., and his colleague Dr Graham Rogers.

ORGANISER

For further information and general administration of posters please contact Dr Sunil Patel (sunil.patel@stfc.ac.uk) or telephone 01235 445519.
